The screenshot shows the Adobe Connect interface. At the top, there's a menu bar with 'Meeting', 'Layouts', 'Pods', and 'Audio'. Below this is a toolbar with icons for audio, video, and chat. The main area is divided into 'Share' and 'Video' sections. The 'Share' section contains a graphic of a computer monitor, a stack of papers, and a musical note. The 'Video' section has a 'Start My Webcam' button. On the right side, there's a sidebar with 'Attendees (1)', 'Active Speakers', 'Hosts (1)', 'Presenters (0)', and 'Participants (0)'. Below this is a 'Chat (Everyone)' window. A context menu is open over the chat window, showing options like 'Hide', 'Maximize', 'Start Chat With', 'Clear Chat', 'Email Chat History', 'Text Size', 'My Chat Color', 'Show Timestamps', 'Chat sounds', 'Preferences', and 'Help'. A red arrow points to the 'Clear Chat' option, which is highlighted in blue. Another red arrow points to a warning icon (a red triangle with an exclamation mark) in the top right corner of the chat window. A red circle with the number '2' is next to the 'Clear Chat' option, and a red circle with the number '1' is next to the warning icon.
